June 2003

Yard Sale

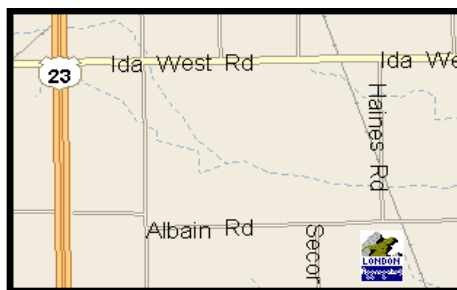

At locations where we do not have full size truck scales we will no longer be selling material by the ton. The only locations that this affects are our special pond projects in Ida and Milan (see below). We will now be selling material at these locations by the yard. Our grid below explains the numbers we are using to convert tons to yards. Our unit weights were determined using an industry accepted standard, these documents are available for your review upon request.

<u>Milan Offsite Project</u>	<u>Tons Per Yard</u>		<u>Price Per Yard</u>			<u>Price Per Ton</u>		
Fill Sand	1.21	-	\$4.24	Per Yard	-	\$3.50	Per Ton	
#1 Topsoil, Screened	1.12	-	\$11.20	" "	-	\$10.00	" "	
#2 Topsoil, Unscreened	1.07	-	\$8.56	" "	-	\$8.00	" "	
<u>Ida Offsite Project</u>								
Fill Sand	1.23	-	\$3.20	" "	-	\$2.60	" "	
#1 Topsoil, Screened	1.01	-	\$10.10	" "	-	\$10.00	" "	
#2 Topsoil, Unscreened	1.08	-	\$8.10	" "	-	\$7.50	" "

N.S.S.G.A. Capstone Award - Participant

This past February our Muskegon Dock was in part honored for its participation in the Grand Haven Water Discharge project. Our Muskegon Dock organized and set up delivery for over 30,000 tons of material. The sand and gravel used in the project were used as a macro filter in an underwater natural fluid system. At the recent National Stone, Sand and Gravel Association Centennial Convention in Orlando Florida Lafarge N. A. Inc. received the Capstone Award for Market Development in this project which recognizes outstanding development efforts in new, expanded, or improved uses for aggregates. The success of this project was due to the high levels of service, communication, quality work, and cooperation of Stoneco, Lafarge, and Great Lakes Marine.

County Specified Material

We have approved materials for both Wayne and Oakland Counties at our Stoneco Maybee and Stoneco Ottawa Lake plants. Please contact a Stoneco sales representative for materials, quantities, and pricing.

Ottawa Lake Open House

On June 19 from 11am to 1pm we will be hosting an open house and customer appreciation day at our Ottawa Lake Quarry. We will be preparing a barbeque lunch. Please call our Division Office at (734) 587-8275 for details and directions. We look forward to seeing you there.
