## Stoneco of Michigan

Here is the first look at all of our plants in Michigan. Our pre-existing locations along with new additional locations make Stoneco any easy choice for aggregates anywhere in South East Michigan. These locations include 5 Limestone Quarries, 4 Sand and Gravel Pits, and a Recycle Concrete Yard. Please call (734) 587-8275 with questions regarding any or all of these locations.

## Frost Law Reminder

Spring is coming, soon the ice and snow of Winter will be behind us. The County load restrictions may be in place. We have multiple operations that can continue to service you unhindered during this period. Our Denniston, Newport, and Ottawa Lake locations are all unaffected by these weight restrictions. At Ottawa Lake we currently have excess inventory of MDOT 31A. At Denniston we have excess inventory on our 21AA Commercial and 3/8" Screenings. Please inquire on material availability and pricing with one of our Stoneco sales representatives.

## Hours of Operation

Our hours of operation change frequently from November through May. We do our best to keep our hours for all of our location posted and available at each of our locations. In addition we fax the information to customers on our information request fax list. If you would like to receive information regarding hours or other announcements from us by fax please contact us with a fax number. We would also like to make this information available electronic as well. If you would like to receive updates on our hours as well as other announcements by email just let us know, all we need is an email address. To request information from either service please contact our Milan office at (734) 587-8275.
