Ottawa Lake Open House

We are having the Ottawa Lake Open House Saturday the 21st of August from 11:00 am until 2:00pm. The open house at Ottawa Lake is an excellent opportunity for our customers, neighbors, and vendors to meet and enjoy some great company and a barbeque lunch. The event is truly an "Open House" with something for the whole family to enjoy. Not only are children welcome, we encourage their attendance. It is a great chance for them to learn about the day to day activities of a stone quarry. Questions regarding the event can be answered at the Ottawa Lake office at (734) 856-2257. We look forward to seeing you there.

New Moscow Materials (22 & 23A)

We now have 22A and 23A natural available at our Stoneco Moscow location. The site is ideally located at 8760 East Chicago Road in Horton MI, just South of Jackson. In addition to this material we also have class II and bedding sand readily available. Questions regarding specific quantities and pricing can be answered by Brandon Smith at (248) 705-4514. Our current hours at this location are Monday through Friday from 7:00am until 5:00pm. We are closed on Saturdays but can be open on request.

Safety First

As we are entering the peak season for construction, we here at Stoneco would like to ask that everyone keep safety their number one priority this season. In speaking with a weigh master that recently stopped at one of our quarries, one of our foreman was informed that empty gravel trains going too fast, tend to have their rear trailer sweep across the lane and that the weigh people are keeping an eye out for that this season. With all the active construction currently on Sumpter road, we have a detour to the Maybee location that takes Doty road South from South Stony Creek Road. This is effective Monday August 16th. Please slow down while on the detour route. Please remind all your truck drivers that visit our locations to please stay inside their vehicle at all times, and remember to tarp in the designated tarping areas.

Stoneco Golf Outing

The Michigan Stoneco Open will be held on Thursday September 23rd at the Monroe Golf and Country Club. In addition to 18 holes of golf, lunch and dinner will be provided, and quality prizes will be given away. Please join us for a great day of golf and fun. For details please contact Susan Foote at (734) 587-8275.
