Safety First

Earlier this month a fatal accident occurred at a coal mine in Alabama when a 59-year-old bulldozer operator with over 35 years experience was fatally injured when he was struck by a pickup truck. The victim and two other operators were near their equipment when a foreman instructed them to move in preparation for a blast. The victim was apparently walking back to his bulldozer when the foreman, who was using the truck's side mirrors to drive, backed over him.

Best Practices

- Ensure a travel lane is clear before moving a vehicle. Train miners not to walk or stand in travel lanes.
- When backing up, look over your shoulder to eliminate blind spots. When using mirrors, use all available mirrors.
- Do not travel long distances in reverse, and when able, turn the vehicle around to drive in a forward direction.
- Install "rear viewing" cameras on vehicles.
- Sound horns before moving equipment in areas where miners are present.

September Price Sheet

By September 3rd we will have published and mailed our updated price sheet.

NEW & EXCITING

Welcome to the brand new format for the Stoneco of Michigan monthly newsletter. The newsletter continues to be an excellent source for up to date news on what is happening at our facilities. We hope you like the new look with the same great information.

Online Survey

On Wednesday August 1st our website, www.stoneco.net, will include an online survey. The survey can be completely anonymous, however if you would like us to know who you are and how you feel that is also an option. Either way it shouldn't take longer than 5 minutes to complete. Surveys like this will help improve our operations and allow us to better serve you. We look forward to your comments.

Zeeb 3000

On July 5th 2007 our employees at our Sand and Gravel pit located on Zeeb Road in Ann Arbor achieved 3,000 days without a lost time incident. Lost time incidents can include anything that would prevent a person from coming to work the next day. This makes their accomplishment that much more monumental. Please join us in congratulating the good people at Zeeb road on this great achievement.
