

# STONECO OF MICHIGAN NEWSLETTER

September 2007

Ottawa Lake, Maybee, Newport, Denniston,  
Ida, Zeeb Road, Ann Arbor

[www.stoneco.net](http://www.stoneco.net)

15203 S. Telegraph Monroe, Mi 48161- Phone: (734) 241-8966 - Fax: (734) 241-3636

## Safety First

When visiting our operations we ask that you "Take 30". Take 30 seconds to "Stop, Scan & Plan" whenever visiting our locations.

A mine is an ever-changing environment. We ask that you "Take 30" to observe signage, stockpiles, traffic patterns, road conditions, mobile equipment, and weather conditions. The next day when you return, the Stoneco facility may have changed. Take a few moments to look around and examine the area for any hazards that you either missed earlier or have been created since you were there last.

If you jump right back into the task you were performing, you may find out too late that the environment has changed and new, unexpected hazards have developed.

**When entering a Stoneco facility please take 30 seconds to:**

- Stop** – And take a few seconds.
- Scan** - The area for new or previously unrecognized hazards.
- Plan** - How you need to continue, based on your observations.

## Customers Are Appreciated

Come join us for a Customer Appreciation barbeque lunch at the below locations from 11am to 1pm. Please call for directions.

**October 11 – Zeeb Road Sand & Gravel**

**October 18 – Ida Sand Pit**

**October 25 – Maybee Quarry**

## NEW & EXCITING

Fall brings football, sweaters, and some very beautiful colors to Michigan. During this time the light available in the morning is also less prevalent. Please remind any truck drivers hauling material from our operations to keep their lights on in the morning this lets us know where they are and lets them see people or obstacles in their way.

## On the Scale

We use pit tickets at all of our operations. These tickets represent a receipt of purchase and also list the project name or number, the material purchased, the quantity, and who is being billed. This information is very important both to us and the customer purchasing the material. All tickets should be reviewed carefully before leaving our operations. Please take the time to both give accurate information prior to being loaded and review the information prior to leaving.

## Stoneco Ida Sand – New Location

The Ida Sand pit has changed locations we are now on Ida West Road 1 ¾ mile East of 23 on the north side of the road just east of the rail road tracks.
