15203 S. Telegraph Monroe, Mi 48161- Phone: (734) 241-8966 – Fax: (734) 241-3636

Safety First

Safety First

We have always dedicated this section of our newsletter for efforts to make our customers, vendors, and employees have a safe place to come to work and to do business. Areas that we have highlighted in the past include:

Trucks keeping their headlights on during periods of low light while visiting our operations.

This initiative is one that we continue to receive push back on from the drivers because they are concerned about the light “blinding” the other drivers. We feel that trucks in the dark are a greater concern and ask that this policy please be followed.

Slips, Trips, & Falls

With cold weather coming it is the time of year when frost, ice, and snow will begin forming and after years in Michigan we all still require a small adjustment period for these conditions. As the cold months begin please take extra time and precautions to maintain personal safety during these slippery conditions.

Salt & Chloride Sand

We will have bulk salt available to purchase this winter from our CYDI operation in Flint. We have 24 hours service available for the worst of the storms. Please contact Mike McIntosh for information regarding this service and product at (810) 577-1911. We will also have the ability to produce chloride sand at our Zeeb Road location. We will not produce the material without an existing order so please call for details.

Holiday Hours

The fall and winter holidays are now upon us as of now we are scheduled to be closed:

Thursday Nov 25th and Friday Nov 26th
Friday Dec 24th & Monday Dec 27th
Friday Dec 31st & Monday Jan 4th

E-Billing

The internet and email offer us a unique opportunity to distribute mass information at a faster speed. Email also allows us to cut costs while protecting the environment. We can now send electronic messages that include this newsletter, quality control data, billing statements, ticket copies or reprints, invoices and just about any other type of documentation. Please contact our sales department for information on how you can receive this information electronically. We appreciate your support of this endeavor.
