Safety First

Cell Phone Usage

With the safety of everyone that visits our operations (*including employees, customers, vendors, and general public*) in mind we know we have to do something to help monitor the growing number of accidents that occur while operating a vehicle and using a cell phone. That being said, **effective immediately at all Stoneco of Michigan and CYDI of Michigan operations the use of a cell phone or other electronic communication device is now prohibited unless the vehicle is parked.**

We appreciate your support of this initiative, and welcome your feedback of it. Please contact us at any time with any comments you may have.

Slips, Trips, & Falls

As the cold months begin please take extra time and precautions to maintain personal safety during these slippery conditions these incidents are at their highest during these times.

Current Schedule

As of Thursday Feb 17th the below schedule will be in effect:

Ann Arbor Recycle: Closed
Denniston: Closed
Flint: Mon & Fri 5AM-1PM
Ida: Closed
Lansing: Tue 7AM-2PM
Maybee: Closed
Newport: Mon-Fri 7AM-3PM
Ottawa Lake: Mon-Fri 7AM-6PM
Zeeb Road: Closes

Our schedule is always subject to change. Our current schedule is always available at www.stoneco.net. All of our hours can be extended to include earlier/late load times and weekends, to make loading arrangements please contact Ryan Lumpford at (734) 777-3396 and we will accommodate your schedule.

www.stoneco.net

On our company website you will find lots of useful information. We keep a full listing of all of our operations current hours and contact information this can be found on the home page or through our contact section. Detailed product information including gradations for several products is available under the products sections. Under the about us section we have a links page that includes web links to each Road Commission (with a web page) in Michigan as well as the County Road Association. As of last month we added a web video tour of our Ottawa Lake Quarry. All of this and more is available just a few short keyboard strokes away.

Chloride Sand

Does climbing the salt prices have you and your customers wondering how they are going to deal with the white mess falling from the sky? Our Zeeb Road sand & gravel pit may have the answer in Chloride Sand an economic solution to your salt woes. At only \$20.00 per ton the material will get either you or a customer out of a snow removal bind. With short notice we can have a fresh batch of material available for any size project you require.
