

**CYDI / STONECO LANSING YARD**  
**HAZARD TRAINING & RECOGNITION CHECKLIST**  
 Valid for one year unless operating conditions change requiring revised training

Persons delivering goods, performing services, collecting material, or visiting and inspecting this property and who are not regular employees, may encounter certain hazards during that time. Under the requirements of the company safety procedures, such persons must be made aware of site specific hazards and any applicable safety procedures or rules. **All Contractors/Sub-Contractors performing services on rail properties are responsible for compliance with all parts of CYDI Safety Protocols.**

During your time on CYDI's property, please observe all posted rules and regulations, including speed limits, and carefully follow all verbal instructions given by plant management or other authorized personnel. Immediately report to your trainer or plant supervisory personnel any suspected hazard you may encounter.

Your access is limited to designated areas. You are not cleared or trained for other areas in this rail yard.
