## Truck Safety Rules

- Remain in your truck unless you are in a designated safe zone.
- All loads must be secured and tarped prior to leaving the site.
- Follow all designated traffic patterns.
- Headlights must remain on while on site.
- Seat belt must be worn at all times.
- Do not climb on equipment when tarping your truck.  
Stations and ladder racks are available.
- All incoming materials will be weighed in and out each load.
- You must tare in every load at Maybee, Ottawa Lake, and Newport.
- Cell phone shall not be utilized unless the vehicle is parked.
- For safety reasons we cannot load pickup trucks.
